

# Severn Estuary Climate Change Citations Database

Version 5 October 2010

Compiled by Cardiff University and Severn Estuary Partnership

also available as *ENDNOTE Database Software File*

## CLASSIFICATION SYSTEM

Severn Estuary Climate Change Citations Database .....	1
1. CLIMATE CHANGE IMPACTS .....	1
1.1 Amenities .....	1
1.2 Critical Infrastructure .....	3
1.3 Cultural & Archaeological Heritage.....	6
1.4 Geology.....	13
1.5 Habitats & Ecosystems.....	14
1.6 Nutrients and Contaminants .....	28
1.7 Regional and Local Climate Change.....	36
1.8 Sea Level.....	38
1.9 Storm Surges and Coastal Flooding .....	44
1.10 Storminess, Hydrodynamics and Sediments .....	46
2. ADAPTATION .....	64
2.1 Coastal Defence and Managed Realignment.....	64
2.2 Environmental Economics .....	66
2.3 Infrastructure and Engineering .....	67
2.4 Institutional Capacity.....	68
2.5 Shoreline Management .....	69
2.6 Strategic Policy and Planning .....	72
3. MITIGATION.....	74
3.1 Renewables – Current.....	74
3.2 Renewables – Tidal.....	74
3.3 Renewables – Wave .....	79
3.4 Renewables – Wind .....	79
4. INTEGRATED ASSESSMENT.....	80

## 1. CLIMATE CHANGE IMPACTS

### 1.1 Amenities

Barne, J. H., C. F. Robson, et al. (1996). Coasts and Seas of the United Kingdom. Region 11, The Western Approaches: Falmouth Bay to Kenfig. . Peterborough, Joint Nature Conservation Committee.

Ergin, A., E. Karaesmen, et al. (2004). "A new methodology for evaluating coastal scenery: Fuzzy logic systems." *Area* 36(4): 367-386.

Ergin, A., A. T. Williams, et al. (2006). "Coastal Scenery: Appreciation and Evaluation " *Journal of Coastal Research* 22(4): 958-964.

- Morgan, R., T. C. Jones, et al. (1993). "Opinions and Perceptions of UK Heritage Coast Beach Users: some management implications from the Glamorgan Heritage Coast." *Journal of Coastal Research* 9(4): 1083-1093.
- Morgan, R. and A. T. Williams (1999). "Video panorama assessment of beach landscape aesthetics on the coast of Wales." *Journal of Coastal Conservation* 5(1): 13-22.
- Nelson, C., R. Morgan, et al. (2000). "Beach awards and management." *Ocean and Coastal Management* 43(1): 87-98.
- Nelson, C. and A. T. Williams (1997). Bathing water quality and health implications. *International Conference on Water Pollution, Proceedings*.
- Parsons Brinckerhoff and Black and Veatch Ltd. (2008). *Severn Tidal Power SEA Scoping Topic Paper: Landscape and Seascape*. Bristol, A report to the Department of Energy and Climate Change (DECC).
- Phillips, M. R. and A. L. Jones (2006). "Erosion and tourism infrastructure in the coastal zone: Problems, consequences and management." *Tourism Management* 27(3): 517-524.
- The Royal Yachting Association (RYA) (2007). *Offshore SEA 8. Identifying Recreational Cruising Routes, Sailing and Racing Areas within the SEA 8 Area*. London, Department for Energy and Climate Change (DECC).
- Tudor, D. T. (2001). *Aspects of debris pollution at selected Bristol Channel beaches*. Bristol, West of England. PhD.
- Tudor, D. T. and A. T. Williams (2003). "Public Perception and Opinion of Visible Beach Aesthetic Pollution: The Utilisation of Photography." *Journal of Coastal Research* 19(4): 1104-1115.
- Tudor, D. T. and A. T. Williams (2006). "A rationale for beach selection by the public on the coast of Wales, UK." *Area* 38(2): 153-164.
- Williams, A. T. and N. E. Caldwell (1981). "Sediment Disturbance by 'Beach Paddlers' Along the Glamorgan Heritage Coast, UK." *Shore and Beach*(April): 30-33.
- Williams, A. T. and J. H. Howden (1985). "The Social Aspects of Cliff Falls Along the Glamorgan Heritage Coast, UK: 'Is Sex a Stronger Drive than Safety?'" *Centre Recherches en Geographie Physique de l'Environment Association Francaise de Geographie Physique* 1(2): 129-139.
- Williams, A. T. and E. J. Sothorn (1986). "Recreational Pressure Along the Glamorgan Heritage Coast, Wales, UK." *Shore and Beach* 54(1): 30-37.
- Williams, A. T. and M. J. Williams (1991). "Hazard Awareness at the Glamorgan Heritage Coast, Wales, UK." *Bulletin of Geomorphology* 19: 41-46.
- Williams, A. T. and M. J. Williams (1991). "The perceived effectiveness of coastal warning signs." *Coastlines of the Caribbean*: 70-84.

## **1.2 Critical Infrastructure**

(1987). "Tidal barrage plans in the Severn Estuary." *Marine Pollution Bulletin* 18(12): 620-620.

Anon (2005). "The Severn bridges " *Wide World* 16(4): 20-21.

Anon (2005). "Tacking the Severn Estuary." *International Gas Engineering Management* 45(3).

Barne, J. H., C. F. Robson, et al. (1996). *Coasts and Seas of the United Kingdom. Region 11, The Western Approaches: Falmouth Bay to Kenfig*. Peterborough, Joint Nature Conservation Committee.

Brown, J. (2000). *The Bristol Channel Marine Aggregates Constraints Research Project: keeping the consultation process clear of murky waters! Coastal Management: integrating science, engineering and management*. C. A. Flemming. Bristol, Thomas Telford: 168-175.

Cari, J. J. W., S. L. Philpott, et al. (2005). *Marine Aggregates in the Bristol Channel. Urban Geology in Wales*. M. Bassett, V. Deisler and D. Nichol. Cardiff, National Museum of Wales. 2: 222-228

Chambers, S., Maddison, J.D., Jones, D.B. and Thomas, A. (1995). *Investigations in Trias strata for the Second Severn Crossing. The interplay between geotechnical engineering and engineering geology, European conference on Soil mechanics and foundation engineering, XI ECSMF*;

Cotter, C. H. (1975). "Large Ship Navigation in the Upper Bristol Channel." *Journal of Navigation* 28(1): 31-35.

Countryside Council for Wales (1998). *Towards a strategy for the Gwent Levels into the next millennium*. Bangor, CCW.

Department of Energy (1981). *The Severn Estuary wave climate study: April 1978 - March 1979*, Department of Energy, London.

Department of Energy (1981). The Severn Estuary Wave Climate Study: Set of Progress Reports, Department of Energy, London.

Department of Energy (1981). The Severn Estuary Wave Climate study: Wind wave correlation: waves April 1978 - March 1981 winds April 1960 - March 1981, Department of Energy, London.

Department of Energy (1981). Severn tidal power: recording of tide levels in 1979, Department of Energy, London; .

Department of Energy (1981). Tidal energy survey of the Severn Estuary and Bristol Channel (single basin - single effect). , Department of Energy, London.

Department of Energy (1981). Tidal energy survey of the Severn Estuary and Bristol Channel: Supplementary Report no. 2. , Department of Energy, London.

Department of Energy (1981). Tidal Power from the Severn Estuary, Department of Energy, London. 1.

Department of Energy (1989). Severn Barrage Project Detailed Report. Volume 5: Regional Studies and Legal Background. London, Department of Energy/STPG/CEGB. 2.

Department of Energy (1989). The Severn Barrage Project: General Report, Department of Energy, London.

Ecoscope Applied Ecologists, Silsoe College, et al. (1999). Re-creation options for River Severn/Avon floodplain wetlands. English Nature Research Reports, No 692. Peterborough, English Nature.

Edwards, R. J. G. (1997). "A review of the hydrogeological studies for the Cardiff Bay Barrage." The Quarterly Journal of Engineering Geology 30(1): 49-61.

English Nature (2002). Modelling the effect of land use change in the upper Severn catchment on flood levels downstream. Peterborough, English Nature.

European Development Group (1998). The international airport for Wales at Severnside- project outline.

Evans, J., N. A. Clark, et al. (1990). The effect of the Cardiff Bay barrage on waterfowl populations. I. Distribution and movement studies November 1989-May 1990, British Trust for Ornithology.

Faganello, E. and S. Dunthorne (2005). The modelling of Cardiff Bay Barrage control system: The revised automatic control logic for the sluice gates Flooding and Environmental Challenges for Venice and its Lagoon: State of Knowledge. C. A. Fletcher and T. Spencer. New York, Cambridge University Press, Books, 40 West 20th Street New York NY 10011-4211 USA: 299-309.

Heald, D. (1991). "Accounting for the Severn Bridge " Financial Accountability & Management; 7(4): 41.

Hitchcock, D. R., R. C. Newell, et al. (1999). Investigation of Benthic and Surface Plumes associated with Marine Aggregate Mining in the United Kingdom Final Report, Coastline Surveys Ltd.

Hobbs, J. and N. Morley (2007). Offshore SEA 8. Technical Report on the Other Users of the SEA 8 Area. London, Department for Energy and Climate Change (DECC).

Parsons Brinckerhoff (2008). Severn Tidal Power SEA Scoping Topic Paper: Society & Economy. Bristol, A report to the Department of Energy and Climate Change (DECC).

Parsons Brinckerhoff and ABP Mer (2008). Severn Tidal Power SEA Scoping Topic Paper: Other Sea Uses. Bristol, A report to the Department of Energy and Climate Change (DECC).
