

SEVERN ESTUARY PARTNERSHIP

# DISCOVER THE SEVERN

AND PLAY

# LITTER BINGO

**Play for fun and help keep your  
community litter free at the same time!**

**LITTER PICKING EQUIPMENT FREELY AVAILABLE FROM DISCOVER  
THE SEVERN ACTIVITY PACKS HELD AT BARRY LIBRARY, CASTLELAND**

Discover the Severn is a community-led project initiated by the Severn Estuary Partnership and is designed to connect - or reconnect - coastal communities with the wonders of the iconic Severn Estuary. To find out more, please contact us on [severn@cardiff.ac.uk](mailto:severn@cardiff.ac.uk) or visit us at [www.severnestuarypartnership.org.uk](http://www.severnestuarypartnership.org.uk)

# HOW TO PLAY?

A little bit of litter picking can go a long way towards cleaning up communities and will keep the waterways leading to our Estuary free from litter. Using the equipment provided in the Discover the Severn Activity Packs, head out and look for these commonly reported items of litter. Once you have completed the challenge, send us a picture of your haul and anything else that you find along the way to any of our social media channels. Don't forget to include the #DiscoverTheSevern hashtag with your pics!

Rules of play: Stay safe! Keep to solid ground and avoid the water or muddy shoreline; don't handle broken glass or sharps unless you have a solid receptacle to put it in; don't attempt to lift anything too heavy and dispose of all litter safely. Most importantly, have fun!
