

Biosecurity Planning for the Severn Estuary

Draft Programme

There are two workshops being held on this topic. They will broadly follow the same programme.

22nd November – Bristol Port Company, Avonmouth

30th November – Associated British Ports, Cardiff

11:00 Welcome, Severn Estuary Partnership

11:05 An Introduction to Marine Invasive Non-Native Species, APEM

12:00 An Introduction to Biosecurity, APEM

12:55 LUNCH

13:35 Discussion breakout sessions – *this session will focus on gathering information from attendees on species of concern in your area, activities that could be spreading INNS in your area, biosecurity measures that are already in place and actions that could be implemented to reduce the spread of INNS in the Severn Estuary.*

15:00 Summary, next steps and closing statements, APEM and the Severn Estuary Partnership

15:30 Close of workshop
